Mail Stop Patent Application
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The computer readable form in this Application is identical with that filed in Application Number 09/326,260, filed June 4, 1999. The present application is a continuation of Application Serial 10/265,037, filed October 4, 2002, which is a continuation of Application Serial No. 09/326,260, filed June 4, 1999. In accordance with 37 CFR 1.821(e), please use the last-filed computer readable form filed in Application Serial No. 09/326,260, filed June 4, 1999 as the computer readable form for the instant application. It is understood that the Patent and Trademark Office will make the necessary change in application number and filing date for the computer readable form that will be used for the instant application. A paper copy of the Sequence Listing is included for incorporation into the specification.

In addition to (1) the paper copy included in the instant application and (2) the reference to the other application(s) and computer readable form, the undersigned verifies that the content of the paper copy in the instant application is identical to the computer readable form filed in Application Number 09/326,260.

Respectfully submitted,

Diana K. Sheiness
